MEMORANDUM FOR

USIB Committee Chairmen

SUBJECT: Review of USIB Committees

As you know, I am presently conducting a review of USIB Committees at the direction of the Director of Central Intelligence. In this connection I would like to receive a short summary (say, one page) on

1. ongoing efforts
2. approximate frequency of meetings during the remainder of EY 73
3. the output -- reports, memoranda, etc. -- which you anticipate.
